

Essence Pendant -- INTUITION warm fused glass

[zoom](#)

Description

"To see life from the perspective of intuition is to have vision. To see life from the perspective of intuition is to see life from the perspective of wholeness. It is to understand that life is basically one and that we are part of life."

-Swami Dhyan Giten

Each hand-crafted, individual pendant is unique and made with fused glass and goldtone wire. Glass has an abstract butterfly form. Intuition pendant is delicate sky blue with dichroic bits, giving it sparks of iridescent glisten. Totals 1 ½" tall, glass piece is approx. ¾" tall, and just under 1 ¼" wide.

(Listing is for the blue pendant only.)
